Dear Executive MBA Admitted Student:

Congratulations on your acceptance to Goizueta Business School. We are committed to making your education affordable, and look forward to serving you.

To apply for federal student loans you must complete the 2008-09 Free Application for Federal Student Aid (FAFSA) form. This application can be completed online at HYPERLINK "http://www.fafsa.ed.gov" www.fafsa.ed.gov. In preparation for completing the FAFSA, you should first apply for a personal identification number (PIN) with the Department of Education at HYPERLINK "http://www.pin.ed.gov" www.pin.ed.gov. The PIN will serve as an electronic signature for the FAFSA and will expedite the process. The Title IV School Code for Emory University is 001564.

Some students find it necessary to apply for a Federal Graduate PLUS Loan or private educational loans in addition to the Federal Stafford Loan. Because these loans are approved by the lender based upon a valid credit history, we strongly recommend you order a credit history report. You should check it closely for accuracy and resolve any erroneous information prior to applying for one of these loans. The following agencies can provide you with a credit report:

- Equifax
  (800) 685-1111

- Experian
  (888) 397-3742

- Trans Union Corporation
  (770) 396-7011
