Following are conditions to which the student who accepts our offer of admission agrees.

Acceptance is granted on the following conditions: (a) the applicant continues to maintain the caliber of academic and work achievement commensurate with that on which the applicant was accepted, (b) receipt by the Emory Student Health Service of the student health forms, (c) receipt by Goizueta Business School of your signed Honor Code Agreement, (d) satisfactory completion of application verification by Rea Vera Services including the payment of any fees associated with applicant verification. Additional requirements in connection with acceptance may be imposed. If so, they are stated in the accompanying acceptance letter. Failure to meet these conditions may result in the revocation of admission, or, if the student has not yet matriculated, cancellation of acceptance.

Note: The Executive MBA Program is a program designed and intended for working professionals. It is therefore expected that you will continue to be employed full-time throughout the course of your Executive MBA study. If changes arise in your employment status any time after the completion of your admission application (and prior to graduation), you are required to provide related written documentation to MBA Admissions and EMBA Program Office personnel.

By accepting Emory’s offer of admission, the student agrees that, during such time as he or she may be enrolled as a student he or she will abide by all the rules, regulations, practices and policies of Emory University as they may be at the time of admission or as they may be changed during his or her continuance as a student. He or she further agrees to pay his or her fines or assessments which may be made against the student for violation of campus traffic or safety rules, including parking, and such charges to be added to his or her tuition and rent statements from Emory University.

I have read the above statements, understand and agree to their conditions, and plan to enroll in the following program:
